# VIVID INDUSTRIAL RECEIVES WESTPAC BUSINESS OF TOMORROW AWARD

- Vivid Industrial named one of Westpac's inaugural 200 "Businesses of Tomorrow"
- Company recognised for its innovative intelligent lighting products and services

**Vivid Technology Limited (ASX: VIV)** ("Vivid Technology", "the Company") is pleased to announce that its wholly owned subsidiary, Vivid Industrial, has been selected as one of Westpac's inaugural 200 Businesses of Tomorrow.

Westpac's award recognises "businesses that will help shape Australia's future", following a 2016 report by Deloitte Access Economics. The awards were judged by a number of successful Australian business leaders and eminent business experts and Westpac representatives.

Vivid Industrial is proud to receive this accolade, highlighting again the business' cutting edge smart lighting technologies and in-house engineering skills which deliver significant energy savings to customers.

Vivid Technology's Managing Director Samuel Marks commented: *"This is the second award that Vivid Industrial has received in the last six months and it is again extremely gratifying to see organisations like Westpac acknowledge the entrepreneurial spirit of Australian companies who are determined to make a difference to Australia's future. We are all very proud of the hard work and effort the entire team has put into developing our unique solutions for the market and this award bears testament to that dedication."*

*"Westpac's acknowledgement of our achievements and Vivid Industrial's technology continues to highlight the value of our smart lighting business and will only serve to bolster the presence of Vivid Industrial and Vivid Illumalite in both the domestic and international markets."*

The award was formally presented at Westpac's Businesses of Tomorrow Summit in Sydney on 7 April 2017.

## About Vivid Industrial

Vivid Industrial is a subsidiary of Vivid Technology, providing customised, intelligent and energy efficient cloud based solutions for our growing industrial and infrastructure client base. The "internet of lights" and "cloud based monitoring" delivers quantifiable efficiencies and significant cost savings with environmentally sustainable benefits for our customers.

The business' core technologies are designed for application in warehouses, distribution centres, cold storage facilities, ports, stadiums, car parks, roads and tunnels. Vivid Industrial is a trusted partner to our customer base of blue chip, industrial companies.

During the 2016 financial year Vivid Industrial acquired Vivid Ilumalite, a business specialising in creating highly effective, energy-saving lighting solutions predominantly for commercial and government clients that generate significant cost savings and reduce environmental impact.
