22 June 2017

Dear fellow shareholder

On behalf of the Board of Vivid Technology Limited (**Vivid Technology**), it is my pleasure to invite you to participate in a pro rata, non-renounceable entitlement offer of 1 new fully paid ordinary share in Vivid Technology (**New Shares**) for every 10 Shares held by you on the Record Date (7.00pm (Melbourne time) on 21 June 2017 at an issue price of 4.5 cents per New Share (**Entitlement Offer**) to raise up to approximately \$1.9 million, if fully subscribed. The first \$1.5 million of the Entitlement Offer is underwritten by Fielding Hill Capital Pty Ltd (**Underwriter**).

On 9 June 2017 Vivid Technology announced a placement to certain institutional and sophisticated investors to raise \$3.1 million (**Placement**) (the Placement and the Entitlement Offer together, the **Equity Raising**). The Placement successfully completed on 19 June 2017. This Offer Booklet relates to the Entitlement Offer.

Funds raised from the Equity Raising (after costs) will be used to primarily fund investment in the company's growth initiatives, including:

- Assisting the company in pursuing its short-term revenue opportunities, including significant identified opportunities with existing customers.
- Continuing to develop additional recurring revenue streams including "Asset Management" revenue via Lighting-as-a-Service commercial sales model, along with ongoing technology research and development.
- Supporting the company's scaling to address increasing growth opportunities and objectives across both the domestic and international markets.
- Repaying the existing short-term debt facility (\$750,000) (to be replaced by new short term revolving working capital facilities).
- General working capital purposes.

Other uses of funds may include supporting the company's investment in NewCO2Fuels as it progresses finalisation of the commercialisation of its technology (including in conjunction with Sinopec Engineering Group), and for general corporate purposes.

Overview of Entitlement Offer

The Entitlement Offer is being made to all eligible shareholders (**Eligible Shareholders**) who are registered as a holder of Vivid Technology Shares as at 7.00 pm (Melbourne time) on 21 June 2017 (**Record Date**).

Under the Entitlement Offer, Eligible Shareholders have the opportunity to subscribe for 1 New Share for every 10 Shares of which they are the registered holder at 7.00 pm (Melbourne time) on the Record Date at an issue price of 4.5 cents per New Share (**Issue Price**). The Entitlement Offer is non-renounceable. Eligible Shareholders are also invited to apply for additional New Shares in excess of their entitlement under the Top-Up Facility if there is a shortfall between applications received from Eligible Shareholders and the number of New Shares proposed to be issued under the Entitlement Offer.

The Directors have stated that they intend to take up their full entitlements under the Entitlement Offer.

Further information about Vivid Technology is also contained in the Investor Presentation in connection with the Equity Raising, which was released to the ASX on 9 June 2017. A copy of the Investor Presentation is available from the ASX website (www.asx.com.au) and on Vivid Technology's website (www.vividtechnology.com.au).

1. Overview of the Entitlement Offer

1.1. Summary

The Entitlement Offer is a partially underwritten pro rata offer of up to approximately 70 million New Shares at 4.5 cents per New Share (**Issue Price**) to raise up to approximately \$1.9 million before costs and expenses if fully subscribed.

The Entitlement Offer is underwritten for the first \$1.5 million.

Eligible Shareholders are entitled to subscribe for 1 New Share for every 10 Shares held by them at 7.00 pm (Melbourne time) on the Record Date.

The Entitlement Offer is non-renounceable, which means that to the extent that any entitlement under the Entitlement Offer is not taken up by any Eligible Shareholder prior to the Closing Date, the entitlement will lapse.

The choices available to Eligible Shareholders in respect of the Entitlement Offer are described in Section 2.

The Entitlement Offer is currently scheduled to close at 5.00 pm (Melbourne time) on 6 July 2017.

1.2. Eligible Shareholders

Unless the Company otherwise determines, the Entitlement Offer is being made to those Shareholders who:

- (a) are registered as a holder of Vivid Technology's Shares as at the Record Date (including those Shareholders who participated in the Placement);
- (b) have a registered address in Australia, Hong Kong, New Zealand or Singapore;
- (c) are not in the United States and are not acting for the account or benefit of any person in the United States; and
- (d) are eligible under all applicable securities laws to receive an offer under the Entitlement Offer.

Vivid Technology is of the view that it is unreasonable to make an offer under the Entitlement Offer to shareholders outside of Australia, Hong Kong, New Zealand and Singapore having regard to:

- (a) the number of Shareholders outside of those jurisdictions as a proportion of total Shareholders in Vivid Technology;
- (b) the number and value of the New Shares that would have been offered to those Shareholders outside of those jurisdictions; and
- (c) the cost of complying with the legal requirements and requirements of regulatory authorities in the overseas jurisdictions.

Vivid Technology is not required to make offers under the Entitlement Offer to Shareholders outside of Australia and New Zealand (although Vivid Technology may, at its absolute discretion, make offers under the Entitlement Offer to investors in certain other jurisdictions to whom it is lawful to make such an offer, such as Hong Kong and Singapore, subject to the provisions of Section 4.4).

1.3. What is the entitlement of an Eligible Shareholder?

The number of New Shares to which you are entitled under the Entitlement Offer is shown in the personalised Entitlement and Acceptance Form which accompanies this Offer Booklet. In calculating each Eligible Shareholder's entitlement, fractional entitlements to New Shares have been rounded up to the nearest whole number of New Shares. Eligible Shareholders can subscribe for all, or part, of their pro rata entitlement under the Entitlement Offer. Detailed instructions on how to accept all, or part of, your pro rata entitlement are set out in Section 2.

Please note that if you choose not to take up your pro rata entitlement, your percentage shareholding in Vivid Technology will be diluted to the extent that the Entitlement Offer is taken up by other persons.

1.4. Top-Up Facility

Eligible Shareholders may, in addition to taking up their entitlements in full, apply for additional New Shares (**Additional Shares**) in excess of their entitlement (**Top-Up Facility**). Additional Shares will only be available where there is a shortfall between applications received from Eligible Shareholders and the number of New Shares proposed to be issued under the Entitlement Offer (**Shortfall**). Additional Shares will be issued at the Issue Price.

Vivid Technology proposes to adopt the below allocation policy for allocating Shortfall.

- (a) If there is a Shortfall, each Eligible Shareholder who has applied for Additional Shares through the Top-Up Facility will be entitled to be allocated their pro-rata share of the Shortfall having regard to their holdings at the Record Date (if an Eligible Shareholder has made an application for Additional Shares for an amount less than the amount of Additional Shares that the Eligible Shareholder would otherwise be allocated under this process, the Eligible Shareholder will be allocated the amount applied for).
- (b) The allocation process described above will be repeated in relation to any remaining Shortfall and any subsequent Shortfall, until either all New Shares proposed to be issued have been allocated or all Shortfall applications have been satisfied in full.
- (c) Directors of Vivid Technology will not be eligible to participate in the Top-Up Facility and apply for Additional Shares.
- (d) If, following the above allocation, there remains a Shortfall, it will then be allocated to the Underwriter to the aggregate amount of \$1.5 million (inclusive of the value of the applications from Eligible Shareholders), to be allocated to any sub-underwriters.
- (e) The Directors reserve the right to place any unissued Shares within 3 months after the close of the Entitlement Offer. The Directors are not obliged to place any such Shares and will only do so in their discretion.

For avoidance of doubt, the Corporations Act 20% relevant interest level applies to limit the acquisition of Additional Shares through the Top-Up Facility.

Accordingly, Eligible Shareholders who apply for Additional Shares may be allocated a lesser number of Additional Shares than applied for in which case excess Application Money will be refunded without interest. If you wish to subscribe for Additional Shares in addition to your Entitlement then you should nominate the maximum number of Additional Shares you wish to subscribe for on the Entitlement and Acceptance Form and make corresponding payment for your full Entitlement plus the Additional Shares.

1.5. No trading of entitlements

Entitlements under the Entitlement Offer are non-renounceable and will not be tradeable on the ASX or otherwise transferable. Shareholders who do not take up their entitlement in full will not receive any value in respect of that part of the entitlement that they do not take up.

1.6. Underwriting of the Entitlement Offer

The Entitlement Offer is underwritten for the first \$1.5 million by the Underwriter, subject to certain conditions and events of termination, pursuant to the terms of the Underwriting Agreement. New Shares which remain unallocated following the issue of New Shares under the Entitlement Offer up to an aggregate amount of \$1.5 million will be taken up by the Underwriter (and its sub-underwriters), on the terms and, subject to the conditions, of the Underwriting Agreement and in accordance with the allocation policy.

The Underwriter will receive a fee equal to 5% of the underwritten amount of \$1.5 million (comprising a 1% management fee and a 4% underwriting fee), excluding GST, as well as the issuance of 3,000,000 unlisted options comprising:

- (a) 1,000,000 exercisable at 6.5 cents on or before 30 June 2020;
- (b) 1,000,000 exercisable at 7.5 cents on or before 30 June 2021; and
- (c) 1,000,000 exercisable at 10.0 cents on or before 30 June 2021

Vivid Technology must also reimburse the Underwriter on a full indemnity basis for the reasonable costs and expenses (plus GST if applicable) incurred by the Underwriter in connection with the Entitlement Offer.

Under the Underwriting Agreement, Vivid Technology has agreed to indemnify the Underwriter (and its directors, employees, agents and contractors) against any claims or losses it may suffer in connection with the Entitlement Offer.

The Underwriter may terminate the Underwriting Agreement (and therefore its obligations to partially underwrite the Entitlement Offer) in certain specified circumstances. These include, but are not limited to, if any of the following events occur:

- (a) the All Australian 200 Index as published by ASX falls 10% or more below its level as at close of business on the date of this Agreement;
- (b) the Company does not issue the Offer Booklet in accordance with the Timetable (unless otherwise agreed by the parties) or the Offer Booklet or the Entitlement Offer is withdrawn by the Company;
- (c) ASIC gives notice of intention to hold a hearing examination, inspection, investigation, or it requires information to be disclosed, in connection with the Company, the Offer Booklet or the Entitlement Offer;
- (d) an order is made in connection with the Offer Booklet or the Entitlement Offer, including under sections 1324 and 1325 of the Corporations Act;
- (e) any director or general manager of the Company is prosecuted for an indictable criminal offence;
- (f) there is an omission from, or a statement which is, or has become, false or misleading in the Offer Booklet and such omission or statement is materially adverse from the point of view of an investor;
- (g) any person, other than the Underwriter, who has previously consented to being named in the Offer Booklet, withdraws that consent whether publicly or not;

- (h) the Offer Booklet is withdrawn by the Company at any time prior to all the New Shares having been allotted; or
- (i) ASX does not or indicates to the Company or the Underwriter that it will not permit official quotation of the New Shares comprised in the Entitlement Offer to commence.

In addition, the Underwriter may terminate the Underwriting Agreement (and therefore its obligations to partially underwrite the Entitlement Offer) if, in its reasonable opinion reached in good faith, the occurrence of a number of other stated termination events has or is likely to have a material adverse effect on the outcome of the Entitlement Offer or could give rise to a liability of the Underwriter under the Corporations Act.

1.7. Issue of New Shares

Vivid Technology currently expects that New Shares will be issued on 12 July 2017. The issue of New Shares will only be made after permission for their quotation on ASX has been obtained. The fact that New Shares have been admitted to quotation on ASX is not to be taken in any way as an indication of the merits of Vivid Technology or the New Shares.

1.8. Ranking of New Shares

When issued, the New Shares will be fully paid and will rank equally with existing Shares.

1.9. Withdrawal of the Entitlement Offer

Vivid Technology reserves the right to withdraw all or part of the Entitlement Offer, and this Offer Booklet, at any time, subject to applicable laws. In that case, Vivid Technology will refund Application Monies in relation to New Shares not already issued in accordance with the Corporations Act and without payment of interest. To the fullest extent permitted by law, you agree that any Application Monies paid by you to Vivid Technology will not entitle you to receive any interest and that any interest earned in respect of Application Monies will belong to Vivid Technology.

1.10. Speculative nature of Entitlement Offer and projects and relevant risk factors

In deciding whether to take up some or all of your entitlements under the Entitlement Offer, you should:

- (a) have regard to the risks discussed in Section 3 of this Offer Booklet and the section headed Business Risks of the Investor Presentation lodged with ASX on 9 June 2017; and
- (b) read this Offer Booklet carefully and in its entirety and have regard to your own investment parameters, and if required, obtain independent professional investment advice, before deciding to invest in Vivid Technology.

1.11. Purpose and use of funds

Vivid Technology intends to use the funds from the Equity Raising primarily to fund investment in the Company's growth initiatives, including:

- Assisting the company in pursuing its short-term revenue opportunities, including significant identified opportunities with existing customers.
- Continuing to develop additional recurring revenue streams including "Asset Management" revenue via Lighting-as-a-Service commercial sales model, along with ongoing technology research and development.

- Supporting the company's scaling to address increasing growth opportunities and objectives across both the domestic and international markets.
- Repaying the existing short-term debt facility (\$750,000) (to be replaced by new short term revolving working capital facilities).
- General working capital purposes.

Other uses of funds may include supporting the Company's investment in NewCO2Fuels as it progresses finalisation of the commercialisation of its technology (including in conjunction with Sinopec Engineering Group), and for general corporate purposes.

Further details are set out in the Investor Presentation lodged with ASX on 9 June 2017, which is available from the ASX website (www.asx.com.au) and on Vivid Technology's website (www.vividtechnology.com.au).

1.12. Financial Impact

The proceeds from the Equity Raising, before allowing for costs and expenses, will amount up to approximately \$1.9 million if fully subscribed, with a minimum amount raised of the underwritten \$1.5 million.

1.13. Effect on Capital Structure

The principal effect of the Equity Raising on Vivid Technology's issued share capital will be to increase the total number of issued Shares. The following table sets out the number of issued Shares on the Announcement Date and, subject to the rounding of fractional entitlements under the Entitlement Offer, the total number of issued Shares at the completion of the Entitlement Offer if fully subscribed:

Shares	Number
Shares on issue at the Announcement Date	362,471,340
Shares offered under the Placement	70,000,000
Maximum number of shares offered under the Entitlement Offer**	43,247,134*
Maximum Shares on issue on completion of the Entitlement Offer**	475,718,474*

* The number of New Shares to be issued under the Entitlement Offer is subject to the rounding of fractional entitlements to New Shares. It is also subject to a minimum 33,333,333 Shares the subject of the underwriting.

** The maximum number of shares if the Entitlement Offer is fully subscribed.

Vivid Technology has 59 million unlisted options on issue with various expiry dates with exercise prices ranging from 7.5 cents to 20 cents. In addition, in connection with the Equity Raising, Vivid Technology has agreed to issue 3,000,000 options to the Underwriter as described in paragraph 1.6 and to issue to its other advisers 6,000,000 options comprising (a) 2,000,000 exercisable at 6.5 cents on or before 30 June 2020; (b) 2,000,000 exercisable at 7.5 cents on or before 30 June 2021; and (c) 2,000,000 exercisable at 10.0 cents on or before 30 June 2021.

1.14. Effect of the Entitlement Offer on the Control of Vivid Technology

The potential effect the Entitlement Offer will have on the control of Vivid Technology is as follows:

- (a) if all Eligible Shareholders take up their entitlements under the Entitlement Offer, then the Entitlement Offer will have no effect on the control of Vivid Technology;
- (b) if some Eligible Shareholders do not take up all of their entitlements under the Entitlement Offer, then the interests of those Eligible Shareholders will be diluted;
- (c) the proportional interests of shareholders who are not Eligible Shareholders will be diluted because such shareholders are not entitled to participate in the Entitlement Offer,

having regard to:

- (d) the composition of Vivid Technology's share register; and
- (e) the terms of the Entitlement Offer, the commitments received under the Placement, the underwriting and sub-underwriting arrangements in place for the Entitlement Offer and the nature of the underwriters and sub-underwriters.

Vivid Technology does not believe that any person will increase their voting power in Vivid Technology pursuant to the Entitlement Offer in a way that will have any material impact on the control of Vivid Technology. In particular, no person presently has a relevant interest in more than 20% of Shares, and no person is expected to have a more than 20% relevant interest in Shares following the Entitlement Offer.

- (b) **Applying for Additional Shares under the Top-Up Facility**
If you wish to apply for Additional Shares in excess of your entitlement, please complete your personalised Entitlement and Acceptance Form accordingly and follow the instructions set out on the form or below.

Your application for additional New Shares may not be successful (wholly or partially). The decision in relation to the number of additional New Shares in excess of your entitlement to be allocated to you will be final. No interest will be paid on any Application Monies received and returned.

(c) Payment

The Application Monies are payable in full on application.

Payments must be received by 5.00 pm (Melbourne time) on the Closing Date and must be in Australian currency and made by:

- (i) cheque drawn on and payable at any Australian bank;
- (ii) bank draft or money order drawn on and payable at any Australian bank; or
- (iii) BPAY®.

If you wish to pay by BPAY®, you do not need to return the Entitlement and Acceptance Form. You simply need to follow the instructions on the Entitlement and Acceptance Form. Different financial institutions may implement earlier cut-off times with regards to electronic payment, so please take this into consideration when making payment by BPAY®. It is your responsibility to ensure that funds submitted through BPAY® are received by no later than 5.00 pm (Melbourne time) on the Closing Date.

Vivid Technology will treat you as applying for as many New Shares as your payment will pay for in full.

Cheques, bank drafts and money orders must be made payable to “Vivid Technology Limited” and crossed ‘Not Negotiable’. Cash payments will not be accepted. Receipts for payment will not be provided.

Vivid Technology will not be responsible for any postal or delivery delays or delay in the receipt of your BPAY® payment.

Application monies will be held in trust in a subscription account until New Shares are issued. Any interest earned on Application Monies will be for the benefit of Vivid Technology and will be retained by Vivid Technology irrespective of whether any issue of New Shares takes place.

(d) Return completed Entitlement and Acceptance Form and payment

Unless you are paying by BPAY®, completed Entitlement and Acceptance Forms and payment of Application Money should be forwarded to the Share Registry by mail in the enclosed prepaid envelope or, if you are outside of Australia or do not use the prepaid envelope, by mail addressed to:

- (r) you have not and will not send any materials relating to the Entitlement Offer to any person in the United States or a person acting for the account or benefit of a person in the United States.

2.4. No minimum subscription

There is no minimum subscription for an Eligible Shareholder under the Entitlement Offer.

2.5. No cooling off rights

Cooling off rights do not apply to an investment in New Shares. You cannot withdraw your application once it has been made.

2.6. Refunds of excess Application Monies

Any Application Monies received for more than the number of New Shares issued to you will be refunded as soon as reasonably practicable following the close of the Entitlement Offer. No interest will be paid on any Application Monies. Payment of any refund will be made by cheque mailed to your address as last recorded in Vivid Technology's register of members.

2.7. If you do nothing

If you do not apply for Shares pursuant to the Entitlement Offer, your entitlement under the Entitlement Offer will lapse.

If you do not apply for Shares pursuant to the Entitlement Offer, your percentage ownership in Vivid Technology will be diluted because the issue of New Shares to other Eligible Shareholders under the Entitlement Offer will increase the total number of Shares on issue.

3. Risk Factors

Vivid Technology's activities are subject to a number of risks which may impact future financial performance and the market price at which New Shares trade. Some of these risks can be mitigated by the use of safeguards and appropriate controls. However, others are outside Vivid Technology's control and cannot be mitigated. Therefore, investors who acquire New Shares may be exposed to a number of risks. Broadly, these risks can be classified as risks that are general to investing in the share market and risks specific to an investment in Shares and Vivid Technology's underlying business.

A detailed list of the key risks associated with investing in New Shares is contained in the Investor Presentation in connection with the Equity Raising lodged with ASX on 9 June 2017. A copy of the Investor Presentation is available from the ASX website (www.asx.com.au) and on Vivid Technology's website (www.vividtechnology.com.au).

This list is not exhaustive and investors should read this Offer Booklet and the Investor Presentation in their entirety before making an investment decision. Investors should also have regard to their own investment objectives and financial circumstances, and should consider seeking appropriate independent investment advice before deciding whether to invest in the New Shares.

4. Further Information

4.1. Taxation

Taxation implications of participating in the Entitlement Offer will vary depending on the particular circumstances of individual Eligible Shareholders. Eligible Shareholders are advised to obtain their own professional taxation advice before making a decision in relation to the Entitlement Offer.

4.2. This Offer Booklet is not a prospectus

The Entitlement Offer is being conducted in accordance with Section 708AA of the Corporations Act (as modified by ASIC Legislative Amendment 2016/84). In general terms, Section 708AA relates to rights issues by certain companies that do not require the preparation of a prospectus or other disclosure document. Accordingly, the level of disclosure in this Offer Booklet is less than the level of disclosure required in a prospectus.

As a result, in deciding whether or not to accept the Entitlement Offer, you should rely on your own knowledge of Vivid Technology, refer to disclosures made by Vivid Technology to the ASX (which are available for inspection on the ASX website www.asx.com.au and on Vivid Technology's website at www.vividtechnology.com.au) and seek the advice of your professional adviser.

4.3. Holding Statements and trading of New Shares

Vivid Technology participates in the Clearing House Electronic Sub-Register System (**CHES**), in accordance with ASX Listing Rules and operates an electronic issuer-sponsored sub-register and an electronic CHES sub-register. The two sub-registers together make up Vivid Technology's principal register. Consequently, Vivid Technology will not issue certificates to security holders but they will be provided with a holding statement, which will set out the number of Shares allotted to them under this Entitlement Offer.

It is your responsibility to determine your holding of New Shares before trading to avoid the risk of selling New Shares you do not own. To the maximum extent permitted by law, Vivid Technology and the Underwriter Parties disclaim any liability to persons who trade New Shares before they receive their holding statements, whether on the basis of confirmation of the allocation provided by Vivid Technology or the Registry or otherwise, or who otherwise trade or purport to trade New Shares in error or which they do not hold or are not entitled to.

This document has been given to you on the basis that you are an existing holder of the Company's shares. In the event that you are not such a shareholder, please return this document immediately. You may not forward or circulate this document to any other person in Singapore.
