

ASX ANNOUNCEMENT, 23rd October 2018

APPOINTMENT OF NON-EXECUTIVE DIRECTOR

Vivid Technology Limited (ASX: VIV)

The Board is pleased to announce the appointment of Ms Elizabeth Aris as Non-Executive Director.

Ms. Aris is a senior business executive with experience in the US (NYC), APAC (Shanghai) and Australia with global Fortune 500 companies in Telecommunication, Technology and Retail Banking. She has worked with Telstra, Alcatel-Lucent (now Nokia), and Westpac and consulted to Microsoft and Sprint. She is also a Digital technology entrepreneur who developed a disruptive digital Software-as-a-Service (SaaS) business from concept to capital raising, governance, technology build and all operations. She has recently returned to Australia after 5 years in the USA.

Ms. Aris has a track record of revenue growth and cost-out transformation programs at scale and has been a Chief Marketing and Strategy Officer known for her innovation of business models. She has worked as part of a small team of global telecommunication experts on a number of M&A projects and as advisors to the CEO of Sprint on the end to end turn around. The Board considers that Ms Aris is an independent Director.

Mr Macek commented: *"I welcome Elizabeth to the Board, and I believe that her skills and experience will be invaluable. Considerable progress has made in by the Company in recent years, but there is more to do and be achieved. There are strong signs that our original vision for Vivid Technology is proving not only realistic and achievable, but now also well within reach. As industry continues to shift towards Industry 4.0 delivered through intelligent connected IoT platforms and data sensors, Vivid Technology is at the forefront and will continue to strategically position itself to capitalise on this trend. Ms Aris will be a very capable addition to the Board to help guide and assist the Company's advancements".*

Ms Aris commented: *"I am very excited to join the Vivid Technology Board and look forward to contributing to the continued growth of the business. Vivid, with its proprietary technology is perfectly placed to increase market share in a rapidly evolving IoT market. There is an increasing demand, from around the world, for Vivid's intelligent technology that is enabling global enterprises to dramatically improve energy efficiency and greatly reduce carbon emissions. With my international experience and background in disruptive digital technology, I feel that I have valuable knowledge, experience and insights to bring to the Company and the Board".*

Ms Aris' appointment will all be effective from 23 October 2018.

– ENDS –

About Vivid Technology

Vivid Technology Limited is a multi-award winning, diversified, innovative Australian clean technology company that delivers intelligent energy efficiency solutions and carbon reduction through IoT and CO₂-to-fuel conversion technologies.
